Intermediate Package & Graphic Production Designer (12 month contract)

Opportunity

Iovate has an exciting new opportunity for an Intermediate Package & Graphic Production Designer within the Operations team. In this position at Iovate Health Sciences Inc., the successful candidate will be responsible for providing support to the Packaging team through the execution of package and graphic design and production initiatives as it relates to the Iovate and MuscleTech product lines. The incumbent will work closely with all cross-functional teams within the organization as it relates to packaging development.

Principle Accountabilities

This position requires a self-motivated and independent individual who is responsible for providing support to the Packaging team through the execution of package and graphic design and production initiatives as it relates to the Iovate and MuscleTech product lines. The incumbent will work closely with all cross-functional teams within the organization as it relates to labeling design and development.

Must have good to excellent knowledge of Macintosh software, including but not limited to, the latest versions of Illustrator, Photoshop, Indesign and Acrobat, as well as functionality and familiarity with other software packages such as Microsoft Office Suite. Art direction and illustration skills are required. The position also requires effective communication skills to work not only in a team environment, but also to work independently with minimal supervision. The incumbent must possess both the ability for conceptual creative design and the assembly of final artwork files to meet prepress and print production specifications. A good knowledge of various printing processes, print production and finishing would be an asset.

Requirements

- University or College educated or equivalent in related field
- Over 5 years related work experience
- Superior computer skills in Macintosh OSX
- Good to excellent knowledge of the latest versions of Illustrator, Photoshop, Indesign, Acrobat, and MS Office
- Excellent organizational and time management skills, able to manage multiple projects
- Positive team player; self-motivated and innovative, good problem solver
- Ability to receive input and direction
- Art direction of photography and illustrations
- Strong knowledge of graphic design, as it applies to packaging
- Ability to colour correct, and manipulate digital images
- Attend and approve print runs
- Ability to travel out of country
- Ability to perform under tight deadlines

Culture
