

Transcore Link Logistics – a progressive organization!

The Transcore Link Logistics Corporation is a leading supplier of technology for the North American transportation industry. Our signature service, LoadLink, has revolutionized the transportation industry for the past decade. As we continue to grow, we are currently looking for the right individuals to fill the position of Graphic Designer/Marketing Support

This is a challenging and exciting opportunity that offers long-term stability and room for advancement throughout our organization. Our people are our greatest resource. We provide a fast-paced, innovative working environment where your professional talents can be realized and developed to their fullest potential.

Job Description

We are looking for an individual with the right combination of skills and experience to join our dynamic, challenging and expanding work environment. This position requires someone with a strong knowledge of web development and graphic design using PC based software including Adobe Photoshop, Adobe Illustrator, Adobe InDesign, PowerPoint, Macromedia Flash MX, Macromedia Dreamweaver MX, Content Management System, MS SharePoint, DNN site administration and ADXStudio. Knowledge of social media is also preferred. Candidate must be PC proficient and possess superior communication skills, both verbal and written.

The individual must be able to multi-task while working under tight deadlines and to work independently with minimal supervision. We are looking for someone with unlimited imagination, and creativity. The individual also needs to be detail oriented, work with a sense of urgency, possess a great working attitude and schedule work requests based on priorities.

To Apply

Please forward an MS-Word copy of your resume with salary expectations to GraphicDesigner_July2010@TransCore.com (Subject line: Graphic Designer/Marketing Support).
